Separate Bid Proposals

September 1981

October 1999

Recommendations:

Architect should provide separate copies of the bid document forms with the bid package so that the contractor can keep the specifications in his possession on bid day and not submit with the bid documents.

End of JCR-45

This recommendation is the result of considerable discussion and deliberation by the Architect and General Contractor members of the Joint Cooperative Committee of AIA North Carolina and the Carolinas AGC. While its provisions are not binding on individual Architects or General Contractors, the committee believes that adherence to the recommendations will benefit the Owner and the Construction Industry in general.
