Southeast High Speed Rail
Business Opportunity Workshop

April 21, 2010

Koury Convention Center

Greensboro, North Carolina

7:00 am – 4:30 pm

WORKSHOP OVERVIEW

As part of the American Recovery and Reinvestment Act (ARRA), North Carolina has been awarded \$545M under the Passenger Rail Investment and Improvement Act. These funds have been allocated for the design and construction of elements of the state's Southeast High Speed Rail (SEHSR) project.

As the recipient of these funds, the North Carolina Department of Transportation (NCDOT) presents the Southeast High Speed Rail Business Opportunity Workshop.

This event will educate the business community about ARRA passenger rail projects and highlight contracting opportunities, proposed approaches for delivery and preliminary project schedules. Featuring high-profile and informative speakers from railroad companies, as well as state and federal government, the workshop will provide a detailed description of projects and the requirements and processes for participation.

Participants for this full-day informational and networking workshop should include:

- Railroad & Highway Construction Firms
- Professional Engineers
- Minority & Women Business Owners
- Rail Companies
- Local Government Representatives
- Chambers of Commerce
