

Incident and Injury Free (IIF) Safety Training
Cost: FREE!

February 18, 2010

**Tired of the same old safety classes?
Tired of hearing about the same rules and regulations?**

Carolinas AGC and Bovis Lend Lease have teamed up to show you a safety program that will change the way you think about safety. "Incident and Injury Free" is a program designed by JMJ Associates that is building a new culture in the construction industry. This behavioral-based type of safety management highlights how to make safety personal, relevant, and important. In this workshop designed for Foremen, Superintendents, Safety Professionals, and Senior Management you will learn three tools to share with your co-workers to help them become Incident and Injury Free. You will learn how to assign, recognize & reward Incident and Injury Free work, and correct unsafe behavior.

Please do not miss this class, because it will change the way you look at safety in the work place and at home.

When: Thursday, February 18, 2010 8am-4pm

Where: [Carolinas AGC office](#), 1100 Euclid Ave., Charlotte NC, 28203.

Cost: Free to Carolinas AGC Members
