**Carolinas Associated General Contractors & Members
Honored in National Safety Awards Program**

Charlotte, NC – April 8, 2011 – The [Carolinas Associated General Contractors \(Carolinas AGC\)](#) and its member companies won first place in [AGC of America's](#) 2010 National AGC Safety Awards (NASA) competition. AGC of America is the nation's largest association of commercial contractors.

Recognition is based on a weighted average of participation and overall safety incidence rate of the chapter's general contractor members. Carolinas AGC has approximately 520 general contractor members—this award is in the category of AGC Chapters with Over 200 General Contracting Members. Carolinas AGC took second place in the previous year's competition.

[Carolinas AGC](#) builds its 2,200 members' businesses through workforce development, business development, profit management, and workers' compensation insurance. Visit CAGC at www.cagc.org.
