

PRECONSTRUCTION EXCHANGE FOR PROJECTS & PLANS

We're glad you have decided to purchase an IBuildPLUS membership upgrade!

The upgrade pricing is in addition to basic annual membership dues.

- Specialty Contractors & Supplier Members: \$2,065 per year
- General Contractors Members: \$1,547 per year

First location is included -- For additional locations:

- 1 additional location: \$409 per year
- 2-4 additional locations: \$719 per year
- 5-7 additional locations: \$1,340 per year
- 8-10 additional locations: \$1,961 per year
- 11-19 additional locations: \$181 per location per year
- 20 or more locations: \$3,620.00 per year

The billed amount will be prorated to your membership billing cycle.

Optional takeoff software is free upon request. IBuild Takeoffs are powered by Roctek International Corporation, a leading source for construction takeoff software.

 Yes, I'm interested in the free takeoff software (eSOFTakeoff)
